Lady popular

In the middle of the hot summer, Lady Popular team is about to surprise you with something cool and icy.

All Ladies will have the chance to take part in the brand new adventure – Acorn Isle!

Hundreds of years ago, in the prehistoric times, there was a prehistoric little squirrel trying to find an isle hidden somewhere in the icy world - the Acorn Isle where the squirrel would be the happiest one in the world. And this is how the adventure started. Players will have the chance to help the little squirrel find the Acorn Isle, live the unique prehistoric times and win great rewards!

Ladies will find the squirrel in the beginning of its adventure. In order to move, the squirrel needs an acorn which will be used to roll a dice - the number on the dice will tell the squirrel the amount of steps it has to take. Players can use the lucky dice, too, in order to select the desired amount of steps their squirrel has to take. The squirrel can move forwards only.

All Ladies start the adventure with 5 free acorns. Every day until the end of the adventure they will be rewarded with 1 acorn upon their first log in the game which will be added to the total amount of acorns each player has.

On the road to the Acorn Isle, there are 4 different caves full of surprises - unique prehistoric outfits. To enter each of the caves the squirrel must be right on its entrance. After entering the cave squirrel's mission is to collect all the great rewards hidden there!

If players have missed some of the fields in the cave and haven't collected all the parts of the outfit hidden there, they have the option to return to the cave's entrance and explore it again.
When they explore the 4 caves and collect all parts of the outfits, they will find a road to the Acorn Isle! And the squirrel will remain with their lady as her pet thankful for the efforts and help!

On the Acorn Isle, players will find a special bonus cave where they can get special prehistoric furniture for their apartments and unique clothes for the new pet!

Ladies should remember that the road to the Acorn Isle is hard and they can meet some difficulties such as lakes and rivers which the squirrel has to jump over.

Help the little squirrel find the way to the Acorn Isle and dive into the prehistoric ages of adventures!

The Acorn Isle will be available for all Ladies until the end of July.

At the end of the month the icy prehistoric weather will give way to the hot summer again with some fresh fashion ideas.

Two new stores at the Mall and the Furniture shop are about to open their doors, where Ladies will feel the summer and bring it to their wardrobes and apartments!
Unique swimsuits and wonderful beach collection, designers' furniture, marvelous background for players' profiles - all these unique items will take Ladies to another world where the time has stopped and the party never ends!
