

Lady Popular

FASHION ARENA

If you want to live the emotion of being the most popular girl; if you want to show the world your fashion skills and ideas; if you want to feel the unique atmosphere while competing with other fashion icons – Lady Popular Fashion Arena is just for you!

Create your own lady and guide her through the world of fashion. Develop her personal characteristics which form her popularity and increase her chance for winning duels against other players on the Fashion Arena. The more duels your lady wins, the more experienced she gets, the higher levels she reaches that gives her brand new opportunities to develop in the game.

Dive into the world of supermodels and meet the challenge to become a fashion dictator who defines the next fashion trends.

- *Win duels on the Fashion Arena!*

Just go on the Fashion Arena and find an opponent to duel with. Search among all the players for an opponent and challenge them. During the duel, both players' popularity characteristics are being compared and the player having the better characteristics wins the duel. Win more duels to get more experience and dollars.

- *Find the perfect guy!*

Don't let your lady live alone and take her to a club where she could find her true love. Your lady can meet a nice boy who will take care of her and will make her happy. Boys in the clubs are different and have different professions. Each one of them adds a bonus to one of your lady's popularity characteristics. Don't forget that you should take care of your boyfriend, too and keep him affected to you – kiss him and call him once in a while, go out on dates and send him different presents – he loves spending time together!

- *Participate in photo sessions!*

As your lady gets more experienced in the game, she can participate in photo sessions. The successful photo session brings you emeralds which you can spend on whatever you want! So give yourself a chance for making the perfect gifts for your lady and her boyfriend!

- *Search for supermodels!*

*S*upermodels are the girls who are known for their fashion abilities. They are much more experienced in fashion shows – they know how to pose in front of the camera, how to walk on the catwalk, how to look gorgeous and how to become famous fashion models. Prove your fashion skills and abilities, try to find a supermodel and challenge her in the FTV center! This is your chance for winning great rewards for your fashion skills!

- *Change your look every day!*

Visit the beauty salon which offers different procedures for making your lady beautiful every day – changing tan, tattoos, eye lances, etc. Professional hairstyle and make-up are the final touches to your lady look, so they should be perfect! Choose from the variety of hairstyles and hair extensions and try different color combinations!

- *Create stunning outfits!*

Visit the mall where your lady feels like in heaven! There you will find a great variety of trendy clothes and beautiful accessories for your lady. Add all of them to your wardrobe and create stunning outfits with them in your wardrobe. Check the wonderful collections and see the latest fashion trends! Don't be afraid of experiments and try different combinations with all the garments you can find at the Mall. Be sure you have all the clothes you need for any occasion and don't forget to add some small trendy detail to your outfit, so your lady could be really stunning and unique!

- *Create unique atmosphere in your home!*

Visit the furniture shop where you can buy furniture for your apartment. Here you'll find everything you need for every of the rooms you have – living room, bedroom, and even for the garden! The shop offers comfortable furnishings and beautiful decorations in different colors. Try different combinations and add details which will turn the regular apartment into a designer's home which deserves to be on a cover of an interior design magazine.

- *Make your pet your best friend!*

Having a pet means having your best friend always standing by your side! Go to the pet shop and buy your lady a cute little pet which will be always next to her and will never let her down. Don't forget to take a good care of your pets. Train them so you could increase their loyalty to your lady, buy them new fancy clothes and dress them up so they could be in harmony with your lady's look every day. Choose from the variety of clothes which will make your pet look just fabulous! Make your pet unique and it will be thankful for all the care you take!

- *Take your place in the fashion contests!*

If you think your lady is the most beautiful one and if you believe you have creative ideas for decorating your apartment – now you have the opportunity to prove it! Take part in the fashion contests which are based on other players' voting. Prove that you can be a fashion dictator and create new fashion trends which will help you conquer the world of fashion!
