

# MANAGORE

The shadows have retreated from the Managore realm after you succeeded in defeating the Jack O'Lantern at his own game. With the magnificent rewards you received, the world was built to be an idealistic place, which is about to be ruined. In the far distance you can see the approaching Lord of Devastation alongside his guardians - Wizards, Monks, Barbarians, Demon Hunters and Witch Doctors. They are ready to defeat everyone who dares to protect the Light and Order...

## THE WIZARDS FROM THE SNOWY MOUNTAINS

The Wizards, living in the snowy mountains far north have always been greedy for knowledge and power. For many years they have been watching Managore and the actions of every ruler, regardless of his power, influence or magic ability. Thirsty for new spells and magic, they fell under the influence of a dark and shady sorcerer, who revealed never before heard words with extraordinary magical power. In this drive for more and more power, the Wizards from the snowy mountains

became victims of their own greediness and swore to serve the Dark Lord.

## THE ORDER OF THE DARK FLAME

In ages gone the members of the order have sworn to protect the path to the Heavenly gate with their lives. As a result of his cunning plan, the Lord of Devastation corrupted the sanctuary of the order and enslaved the monks to serve his bidding forever, until the magic is

dispelled.

## THE BARBARIANS

The Barbarian tribes, living in the plains to the south have never been a threat to the world of Managore. After the dark shadow of the black lord has sneaked in their homes, the hearts of the barbarians accepted it as a divine curse and they pledged eternal servitude, with the hope of it all coming to an end someday. In return they received knowledge on how to forge unseen until then weapons and armor and swore to protect one of the holly crystals... The perfect warriors acquired the perfect weapons.

## THE DEMON HUNTERS

Despite the fact that the Demon hunter's society is engulfed in secrecy, the word of their awakening has spread throughout the whole world. Rumor has it that the shadowy murderers are roaming in the night again, but this time a tainted light shines through their eyes. Long ago they cleansed the world from the demonic creatures, who managed to escape from the bowels of the earth,

but now they are after anyone, who dares to seek the Dark Lord. Somewhere in the high circles of their mystical society, someone has made a dark deal.

## WITCH DOCTORS FORM THE FAR EAST

The legend tells that far beyond the seas, that no man has ever dared to cross, there is an island. Shrouded in eternal fog, this island is a dense and impenetrable jungle, filled with curious creatures. This land is ruled by shadowy and closed for the surrounding world tribes. The elders of these tribes have mastered miraculous powers, with which they summon the ghosts of the jungle, but are these ghosts already blackened...

It is time to enter a battle with the Lord of Devastation, who is more than prepared. With enough of the magic bestowed upon you by the Lucky dice, you can anticipate each of your opponent's actions, you can gather all the keys and potions from the labyrinth, with the help of which you will be able to enter a direct confrontation with one of the keepers of the labyrinth cave – Wizards, Monks, Barbarians, Demon Hunters and Witch Doctors. When you pass the last

cave, the road to the Lord of Devastation will be clear. Call the whole realm to arms, train the best troops and enter this epic battle. This is the only way to defeat the tyrant and win the Barbarian's Sword, Demon Hunter's Crossbow and Wizard's Staff, which will assert your dominance in the realm.

Enter bravely in this adventure, free the realm from yet another evil force, trying to rule over it and return from battle, more powerful than ever!
